WELCOME

Dear Race Fans,

Welcome back to Dover Motor Speedway, home of the World's Fastest One-Mile Oval and one of the most unique weekends in all of NASCAR.

This year, we are proud to host NASCAR's All-Star Race Weekend, bringing the sport's biggest names and boldest competition to The Monster Mile all weekend long. The All-Star Race is unlike any other event on the NASCAR schedule, and there is no better stage for it than the high banks of Dover.

We are also excited to welcome the NASCAR CRAFTSMAN Truck Series back to Dover for the first time since 2020 with the ECOSAVE 200, along with the return of the NASCAR O'Reilly Auto Parts Series for the BetRivers 200. Together, they round out a full weekend of competition featuring some of the best drivers across all three national series.

While you are here at the Speedway, be sure to explore everything happening throughout our free Fan Zone. Our brand-new All-Star Village will serve as a special edition hub for additional entertainment, music, refreshing beverages and plenty of NASCAR interactive highlights for race weekend.

We are also excited to welcome back Miles Beach, presented by Visit Delaware, to the Fan Zone, giving fans a chance to relax, unwind and enjoy a little coastal flavor right here at the Speedway. It is the perfect way to combine the energy of All-Star Race Weekend with the laid-back spirit of a Delaware beach weekend.

On the track, America's best will battle for one million dollars and a place in All-Star history, including defending NASCAR Cup Series champion Kyle Larson, defending All-Star Race winner Christopher Bell and defending Monster Mile winner Denny Hamlin.

For the latest schedules, announcements and event updates, visit DoverMotorSpeedway.com and download our mobile app for iPhone and Android devices.

Thank you for being part of this special weekend at Dover Motor Speedway. Enjoy your time with us, stay safe and we look forward to seeing you back at The Monster Mile in 2027.

Sincerely,

DRIVERS TO WATCH!

Top Performers

These drivers have proven they can deliver on NASCAR's biggest stages. From the All-Star Race to The Monster Mile, they've found success across the board and have solidified themselves as strong contenders for an All-Star victory.

- **KYLE BUSCH:** A former NASCAR All-Star Race winner in 2017 and one of the most accomplished drivers of his generation. Busch is tied with Hamlin for the most NASCAR Cup Series wins at Dover by an active driver with three, making him a threat anytime he takes the green flag at The Monster Mile.
- **CHASE ELLIOTT:** The 2020 NASCAR Cup Series champion and past All-Star Race winner has shown the ability to rise in marquee events. With two Dover victories and strong speed in his Hendrick Motorsports Chevy, Elliott remains a consistent contender.
- **DENNY HAMLIN:** A former All-Star Race winner and one of the sport's most experienced drivers in big moments, Hamlin enters the weekend as the defending winner of the previous two Dover races. His three Monster Mile victories and recent form make him one of the favorites for the All-Star victory.

Looking For First Dover Cup Win

Several top drivers are still looking for their first NASCAR Cup Series win at Dover, which comes with the famous Monster Trophy, one of the most sought-after prizes in motorsports.

- **JOEY LOGANO:** The three-time NASCAR Cup Series champion has won four NASCAR Xfinity Series races at Dover after sweeping both events in 2012 and 2013. Only Busch has more Dover NXS victories (five).
- **TYLER REDDICK:** The 2026 Daytona 500 champion has carried that momentum into a strong start to the season, establishing himself as one of the sport's top contenders and an early championship favorite. Reddick's versatility makes him a driver capable of breaking through at Dover.
- **CHRISTOPHER BELL:** The 2025 NASCAR All-Star Race winner continues to shine in high-pressure moments. Bell has two Dover wins in the NASCAR O'Reilly Auto Parts Series and looks poised to break through at the Cup level.
- **RYAN BLANEY:** A former NASCAR Cup Series champion and All-Star Race winner, Blaney has shown he can win anywhere. A past Dover winner in the NASCAR O'Reilly Auto Parts Series, he remains in pursuit of his first Cup victory at the track.

GREG BIFFLE: A LEGEND OF THE MONSTER MILE

The NASCAR community was shaken by the tragic loss of Greg Biffle, his wife Cristina and their children Emma and Ryder, who were among seven people killed when a private jet crashed while attempting to land at Statesville Regional Airport on December 18, 2025. Biffle was 55. He is remembered as a fierce competitor on the track, a devoted husband and humanitarian whose influence extended far beyond the racetrack.

At Dover Motor Speedway, Biffle built a resume that places him among the track's top performers. Over the years, he was a constant contender at The Monster Mile and a driver fans knew could always challenge for the win.

In 29 NASCAR Cup Series starts at Dover, Biffle earned two victories (2005 and 2008), along with seven top-five finishes and 12 top-10s. His success here reflected both his skill and his ability to handle one of NASCAR's most demanding tracks.

He also excelled in the NASCAR O'Reilly Auto Parts Series at Dover, capturing two wins and posting seven top-five finishes and 11 top-10s in 16 starts. In the NASCAR CRAFTSMAN Truck Series, he finished second in his lone Dover appearance in 2000.

Across all three national series at Dover Motor Speedway, Biffle totaled four wins, 15 top-five finishes and 23 top-10s.

As we gather this weekend, we remember a driver who left a lasting mark on this track and on the fans who watched him compete here year after year.
