TEXT YOUR CONCERNS ON RACE WEEKEND

Dover Motor Speedway has a helpful service for guests on race weekend — texting.

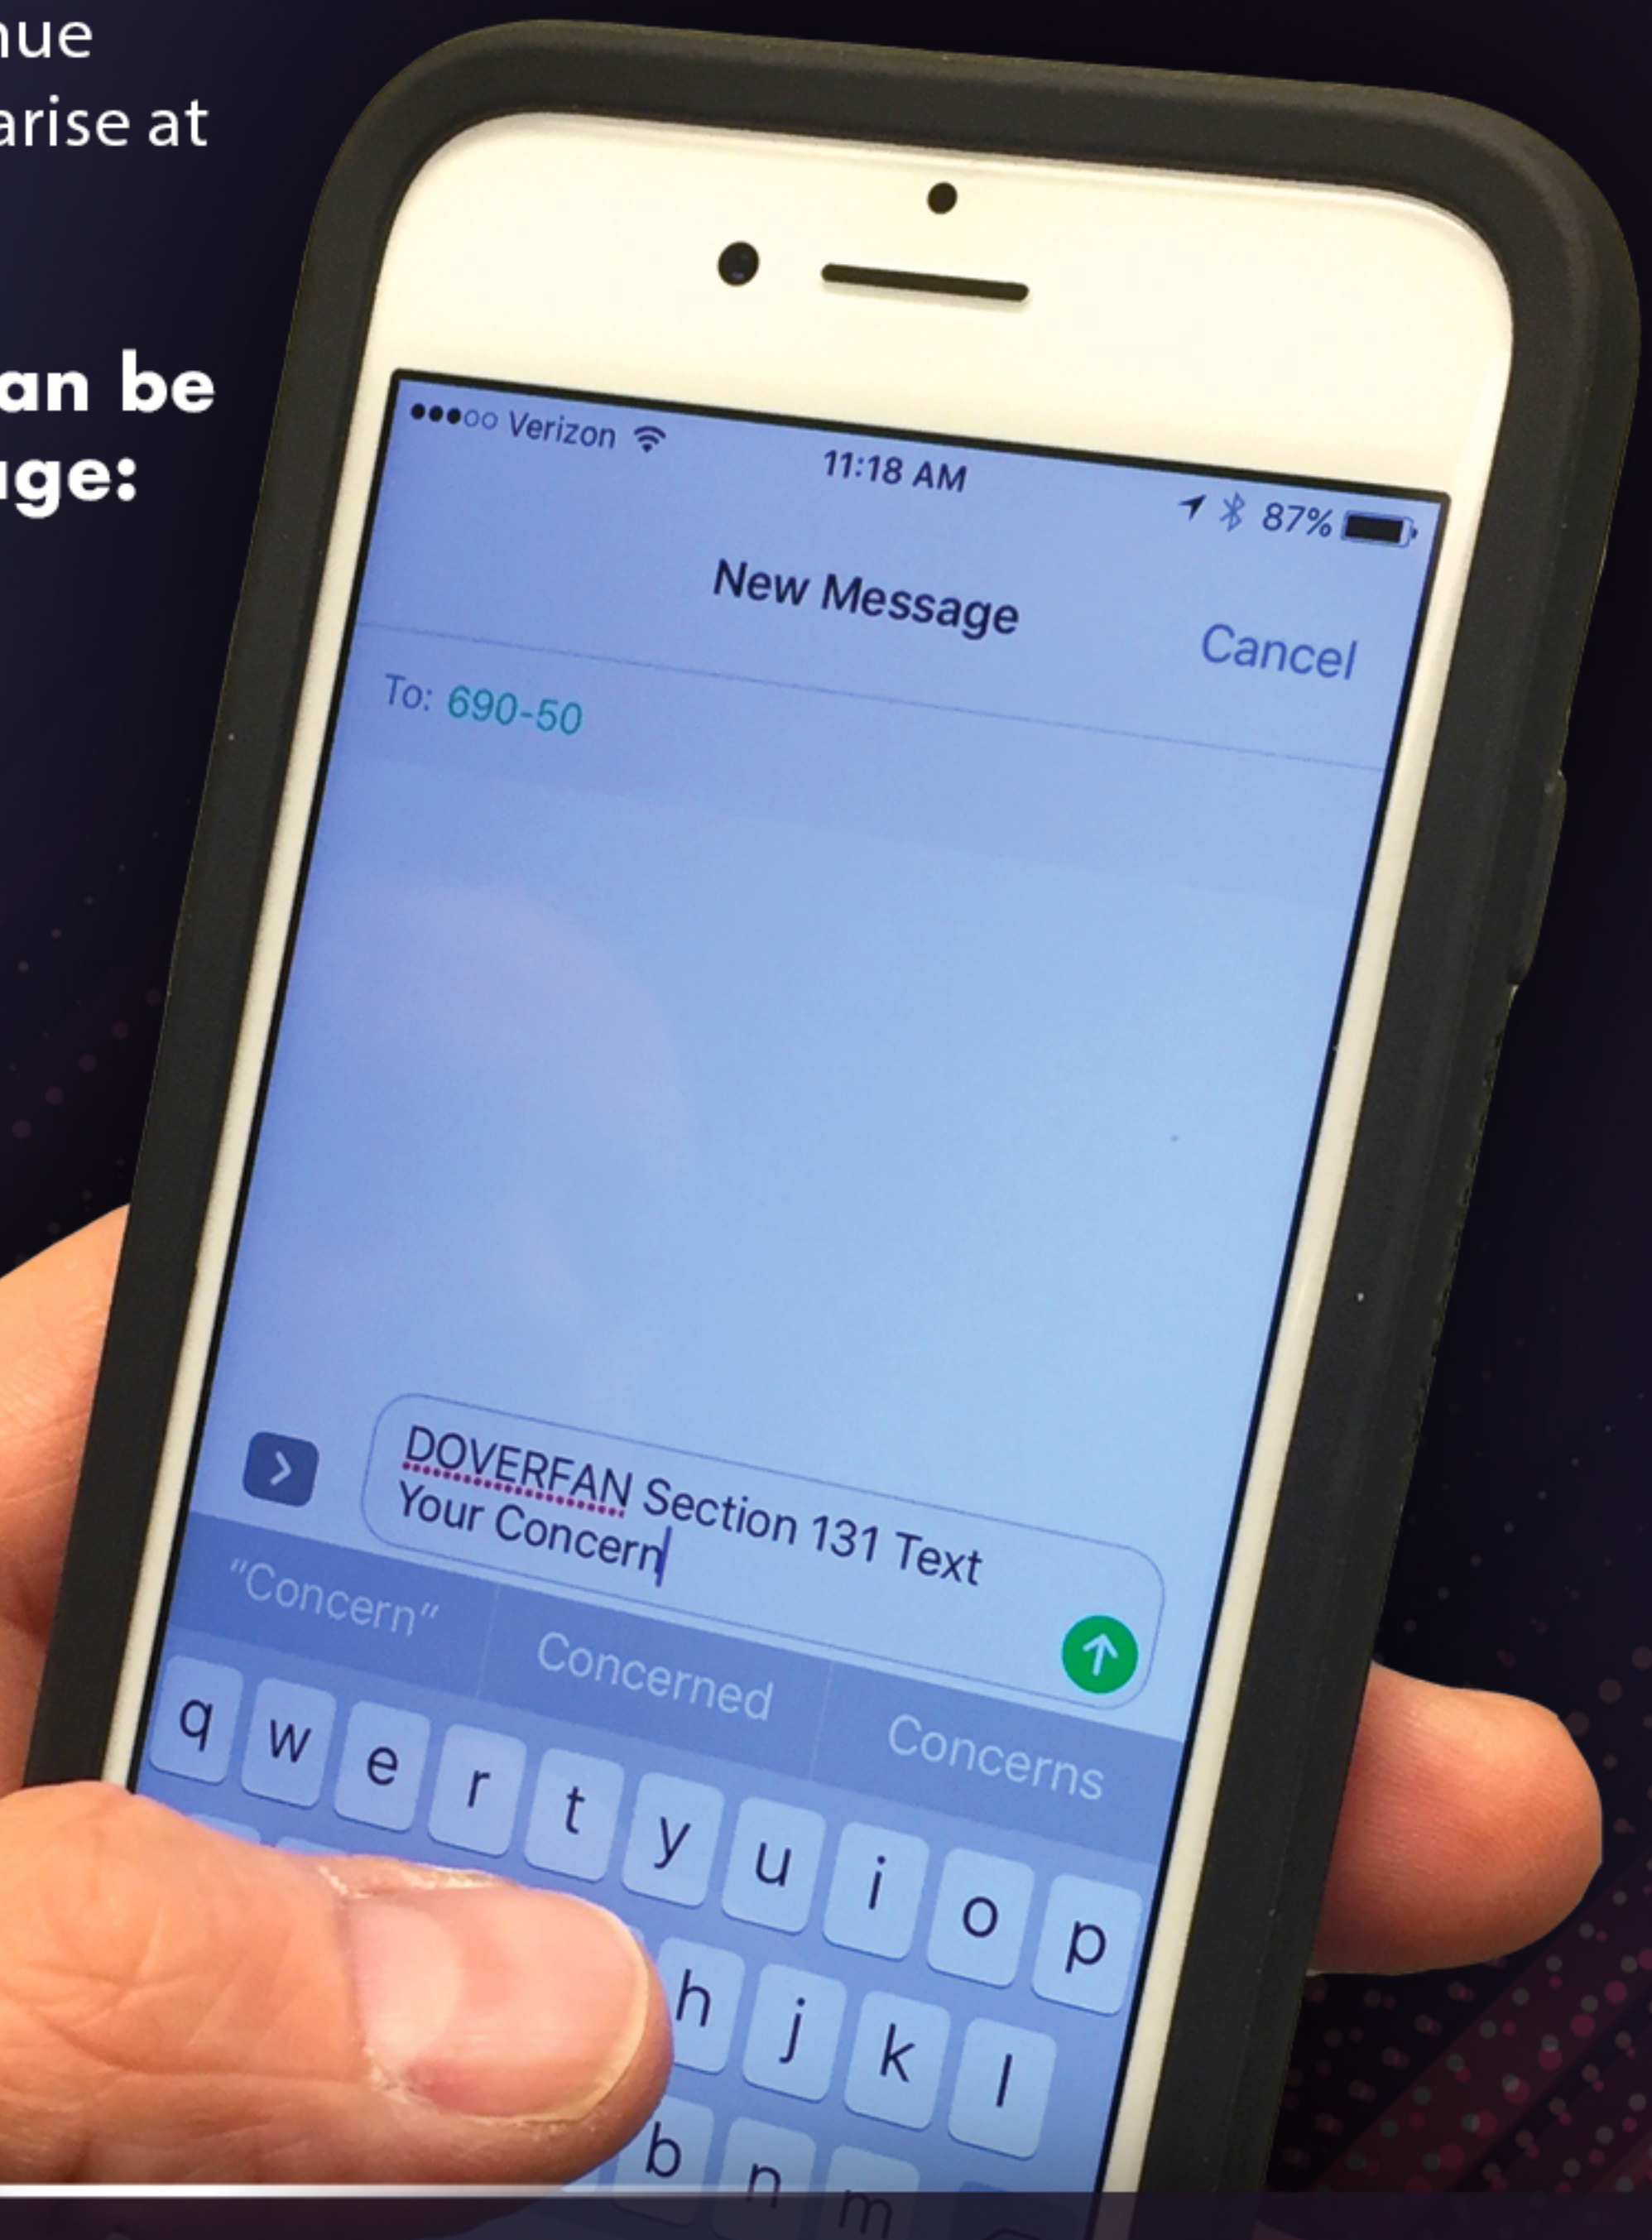

We all know how difficult it can be to communicate when the roar of 40 stock cars rumble down the frontstretch. Text messaging makes it easier to communicate concerns that require our attention during the event weekend.

By sending a text message to a dedicated number, you'll be able to discreetly let us know that you need help. Standard text messaging rates apply.

Text messaging offers guests a discreet and instant way to alert venue personnel when problems arise at Dover Motor Speedway.

Some concerns that can be shared by text message:

- Seating discrepancies
- Spills
- Maintenance issues
- Unruly fan behavior

Suspicious activity can be reported by **texting "Doverfan" along with the activity to (302) 253-RACE or call (302) 883-6753.** Secure your valuables within your space if you plan to leave.
